

## **Fatima Zohra Filali Adib**

My name is Fatima Zohra Filali Adib, RA of building 33. I have been an RA for this building for two semester now and am here for resident when they need a friend, an advisor, and sometimes a tutor☺! This is my senior year at Al Akhawayn and I will try to be your reference for as much as I can. I like music, dance, books, movies, languages, and the list is long. But if you want to know more about me, or just want to share some good time with someone, then you are more than welcome to knock on my door, the extension to remember is 2246 and the door number is 305. Enough talking about me and let me tell you more about building 33.

Our building is one where many students start their journey at Al Akhawayn campus or where others complete theirs. It is one where you can express yourselves and share your stories. Events are organized according to your nature. Whether you are a SPA type of person or a decoration one, you will find activities that fit your personality inside your new home!
