

Lamyae Laazizi

Hello everyone,

I'm Lamyae Laazizi, Resident Assistant of Building 33! I am a senior student at AUI, studying engineering and management. During my spare time, I like getting involved in campus activities (movie projections, trips, conferences...), hanging out with friends, listening to music and singing with my fellow choir-mates. My favorite sport is horseback riding, but I also like swimming.

I really enjoy planning for events that bring people together to spend some good time, and these are the kind of activities that I try to organize in my building. Whether it is a girls movie night, a cookies and popcorn party, a relaxing SPA experience, or a building make-over party, it is always a pleasure for me and the residents to get together and share ideas, experiences and laughs ☺ And this is what makes building 33 a lovely place to live, grow and have fun, whether you are a freshman or graduate! I am a pretty talkative girl :p, so if you ever need someone with whom to share your everyday little stories, a friend, a tutor, an older or younger sister, whether you're in a good or bad mood, the number to remember is 10. So now, no excuses, you know the door to knock on!!
