

## **Mekouar Amine**

My name is Mekouar Amine, RA of building 22.

I am an RA since spring 2011 and am here for residents when they need a friend, an advisor, or simply when they need any kind of support. This is my 3<sup>rd</sup> semester at Al Akhawayn and I will try to be your reference for as much as I can.

I like music, partying, books, movies, and all kind of aquatic sports. But if you want to know more about me, or just want to share some good times, you are more than welcome to knock on my door (Building 22 Room 303 Extension number 2331).

The building 22 is full of nice and jovial peoples and will be more than welcome to lodge new residents.
