Charaf Zaraba, the RA of building 30 in the Beverly Hills area. I'm a senior student majoring in EMS. Marrakesh is my hometown, so I can say that I have a sense of humor. I like to do horseback riding, play tennis, and do jogging. During my leisure time, I watch movies, read books and hang out with friends. One of my qualities is that I like to help people, so don't hesitate to contact me especially if you have any kind of trouble. My room number is 202A, so make sure not to get lost while coming to see me. Oh! I almost forgot, I love singing while showering.
