

Rime El Atlasi

Hello, I am Rime ELATLASSI, RA of building 24. I am an SSE student and this is my second year at Al Akhawayn. I can be found in room 11 or you can simply call me at 2714. I am an easy going person and I like offering help to those in need.

Come to see me if you have any problems with your friends, studies... or simply when you want to spend a great time. I will be always here to listen to you. In building 24, Various activities are organized to get in touch with students and make them know each other much better. Finally I want to say to all of you girls « All life is an experiment. The more experiments you make the better”.
