

Yasmine El Aouadi

Hey,

I will first start by introducing myself to those of you who don't really know me. I am Yasmine EL AOUADI, a BBA junior student majoring in Finance and I am the RA of Building 18: a building well known for its location "Le rondpoint". This is my first semester as an RA and I will do my best to let it be long lasting and pleasant experience.

Being an RA is mainly about building strong relationships with you: my residents. Your involvement in the different activities organized will help me to better understand your needs and to fulfill your wishes. You might think that your ideas are useless, but they are not. Each idea will help and contribute to improve our wellbeing inside our building, our community, our home. Last but not the least, please do not hesitate to knock on my door (room 303) or to give me a call (ext 2186) whenever needed.
