

2007 AA Job Fair

The 2007 Edition of the AA Job Fair has taken place on April 5th and 6th. Many companies & businesses from all sectors of activities have participated. The job fair is a very important meeting point for AUI students, alumni and recruiters, whereby students and alumni can have the opportunity to interact directly with recruiters, submit their CVs

and take interviews for eventual job or internship offers.

Participants had the chance to attend a conference about "Off shoring in Morocco, achievements, opportunities and challenges", which was the main theme of this edition.

Conceived and prepared by: **Ikram Benseddik, Alumni & Career Orientation Officer**

Maersk Sealand' 2007 Recruitment Day , March 30

Maersk Sealand Morocco organized a recruitment day at AUI on Friday, March 30, 2007, audit. 4.

All students graduating on Spring 2007 were invited to participate. Alumni who matched the recruitment criteria also took part in the event.

Candidates selected will participate in a 2-year paid trainee

program in Morocco and abroad.

After a successful performance during these two years, trainees will become a full-time Maersk employee in Morocco or abroad.

N.B.: Participants are required to prepare their CVs and submit them to Maersk recruiting team.

Requirements:

- To hold a Bachelor's degree by June 2007;
- To be aged less than 24 years by August 1, 2007;
- To hold a Moroccan citizenship;
- To excel in English, French and Arabic.

33 Students and alumni took the tests.

Results of the recruitment tests will be communicated by the Career Services on May.
